

# **FISCAL NOTE**

## **HB 863 - SB 1676**

March 6, 2005

**SUMMARY OF BILL:** Entitles a student with anaphylaxis to self-administer medication on school property or at school-related events if such medication has been prescribed for that student and the parent provides a signed written authorization for the student to self-administer the prescription, a signed written statement releasing the school district from liability and a written statement from the student's physician. Subjects a student to disciplinary action if the medication is used in a manner other than prescribed.

### **ESTIMATED FISCAL IMPACT:**

#### **Increase Local Govt. Expenditures – Not Significant**

Assumption:

- Any increase in costs to local governments to monitor such self-administration of medication and for record keeping purposes is estimated to be not significant.

### **CERTIFICATION:**

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, appearing to read "James W. White". The signature is fluid and cursive, with the first name "James" written in a smaller, more compact script than the last name "White".
